## WYEE PUBLIC SCHOOL

Term 4 Week 5 2018

**Quality Learning, Respectful and Responsible Living**

**Mufti Day this Tuesday 13th November  
to support Lachlan East**

Dear Parents,

### Dojo Winners!

Last week I had a great time playing soccer with Isabelle and Charlee from 3/4S (and all their friends) during lunchtime. I also joined Ellie and her group in 4/5O to attempt to solve the Escape Room puzzle set by Miss Gunter. While we didn't get to solve we all had sweaty brains trying!

### Congratulations Lachlan!

Congratulations to Lachlan who was successful at the NSW PSSA Athletics Championships and is now off to Nationals to compete in the 200m and 800m! We will be holding a mufti day tomorrow to assist with the costs so please give generously. We wish Lachie all the best and we will all be cheering him on!

### The Wyee Round Up is on next week!!!!!!

Helpers needed - Please return your helper notes for the fete. We are after helpers for the class stalls as well as general helpers for throughout the fete.

Wristbands - Don't forget that Unlimited Wristbands can be purchased now for a discounted price! The more we sell at presale prices saves the school money (meaning we raise more for the students!) and also you!

### 2019 Class Organisation

As we begin our planning for 2019, I would encourage parents to let me know in writing if there are any circumstances they feel we should know which will support the placement of their child for next year. The formation of classes takes many, many hours of discussion, use of data and knowledge our staff have of the students. Whilst we are happy to consider any specific circumstances raised by parents, ultimately the school will make the final choice regarding student placements based on the best interest of each student.

It is also important that we know how many students to plan for so if you are moving out of the area and leaving our school (or even if you are considering it) please inform the office of your intentions as one or two students can change our class plans drastically.

Have a great week!

Lyndal Coleman

Principal

## 2019 Prefect and Captain Speeches

Students who have been nominated by their peers and who have met the nomination criteria will be presenting a speech as to why he/she should be voted in to represent Wyee Public School as a prefect in 2019. The students need to be prepared to present their speech to the school at an assembly in the school hall on Friday 7<sup>th</sup> December at 2.25pm. Parents are welcome to attend the assembly to watch their child's speech.

After the assembly, students in years K-5 and staff will vote for the students to represent the school as Prefects and Captains. The Prefects and Captains selected will be announced at the School's Presentation Day Ceremony on Thursday 13<sup>th</sup> December.

Students need to present a 1 minute speech. The students are not permitted to use props/aides while presenting their speech.

Good luck Year 5!

### From the Office

Reminders will be sent home to families who still have outstanding payments for Bookpacks, Stage 2 Camp and Stage 3 Camp. We understand some families have payment arrangements in place but these will let you know how much is still outstanding.

## Mufti Day to Support Lachlan East

We will be holding a Mufti Day tomorrow, Tuesday 13<sup>th</sup> November and invite all students to dress in mufti for a gold coin donation. All monies raised will assist Lachie with costs incurred as he competes in the National PSSA Athletics Championships later this month.

## DOJO Rewards

Mrs Coleman had a lot of fun helping Ellie and her group to try to solve the Escape Room puzzle set by Miss Gunter.

## Mufti Day

Please support this worthwhile cause by wearing out of uniform for a gold coin donation on Thursday 15th of November.

Morisset High School students are visiting public schools to raise awareness and fundraise for the Shelter box foundation. Shelter box is a rotary owned company that provides emergency disaster relief for people and families affected by natural disasters and conflict. Reaching places such as Kenya, Syria, Philippines, etc. Shelter box is able to expand, grow and tailor to varying people in need.

We were assigned a task to base a project around shelter box and what it does. We chose to raise awareness and fundraise for our local rotary clubs to help support shelter box program. We highly appreciate a small donation

to help those who are suffering without shelter, food, or water as it would make a huge difference to those people and their families.

If you do decide to donate to the company, there are quite a few places that you can go to give these proceedings such as the website, your local rotary club, or straight to the shelter building in Parramatta yourself.

To find more information and get involved, you can visit their donate page.

### Cake Stall

4/50 and 3/4S will be holding a Cake Stall at the Wye Round Up.
