

Welcome to Week 3. We have had a settled start to the term in the midst of the current situation, which seems to be unfolding daily. We understand this is an uncertain time for families and our school community in general. Please know we are following the latest advice from DOE and NSW Health and are following strict COVID guidelines to keep our staff and students safe.

Education Week 2021

This week is Education Week across NSW with the theme of 'Lifelong Learners' which celebrates education as a lifelong journey from before a child enters an early childhood setting, progressing to primary and secondary school, and continuing their learning journey into adulthood; learning a trade, entering tertiary education, or the workforce.

Unfortunately, due to COVID restrictions we are unable to celebrate this special week as we usually would. Our Book Fair and Book Parade have been postponed to Term 4. This week, all WSLA schools have a display which will be located in Morisset Square outside of Coles, if you would like to take a look.

Attendance

Our school attendance target is 95%. We are encouraging all of our students to help achieve this by coming to school every day unless they are unwell or have a justifiable reason. Together we can achieve this!

Dance2Bfit

Each class has begun learning their dance for the school concert planned for the end of term. This is a terrific biannual event where we celebrate the talent and teamwork of our students. The classes have made progress on their dances already. Check out 6O!

Peer Support

Our Stage 3 students displayed outstanding leadership as they led their first Peer Support session to our K-4 students last Thursday. The Peer Support program provides a fun and engaging environment for students to investigate relationships, resilience, optimism, values and anti-bullying. The modules are designed to equip students with skills to deal proactively with life experiences, promote wellbeing, build positive relationships and connectedness, and to encourage a sense of responsibility. Our topic for Peer Support this year is 'Stronger Together' with a focus on anti-bullying.

Have a great week everyone. Stay safe and look after yourselves.

Remember: The more we focus on the good things, the more our positivity will grow.

Kinder Enrolments 2022

We are now taking enrolments for Kindergarten 2022. If you have a child or know someone with a child who will be starting kindergarten next year, please contact the office for the necessary forms. We are in the process of planning organisation for orientation. This is dependent on Covid restrictions.

Dhinewan Mentoring

Our cultural mentoring sessions have continued this term for all classes K-6. We love having Jonathon and Jacob share their knowledge of Aboriginal culture to our staff and students. The sessions for this half of the term are focused on kinship which explores the relationships that form an important part of our lives because of the knowledge passed down and the connections we make.

We will respect the environment by:

- Putting all of our rubbish in the bin
- Finishing all food, including lollies and ice blocks, before going down the back to play
- Walking around the gardens
- Looking after and leaving our environment as we find it

Everyone, Everywhere, Every time

Home Reading Award

Congratulations to Chellah in Year 2 who won our Term 2 Home Reading Award.

Return and Earn

We are excited to announce that our fundraising through two local Return and Earn sites has been extended until August 2021. You may choose to donate to Wye Public School when you return bottles or cans to the Return and Earn sites at Doyalson Wye RSL Club or Wye Community Hall. Alternatively, children can bring their cans and plastic bottles to school and we will organise to have them donated. **NO GLASS BOTTLES PLEASE.**

Monies raised from this fundraiser will go towards the purchase of a new sandpit with shade cover.
